THE PICTURE OF DORIAN GRAY

by OSCAR WILDE

THE BOOK

Hey Girl... I'd sell my soul for you

Dorian Gray might be as pretty as a picture, but he's paid a devilishly high price for it. He'll stay drop-dead gorgeous, but there's something nasty festering in the attic...

OSCAR WILDE

Oscar Wilde (1854 – 1900) was an Irish writer and poet. After writing in different forms throughout the 1880s, he became one of London's most popular playwrights. Today he is remembered for his epigrams and plays, and the circumstances of his imprisonment which was followed by his early death.

David Mann is an artist and illustrator who studied illustration at the Cambridge School of Art. He has previously illustrated for both publishers and corporate clients. He lives in Hertfordshire.
