DUBLINERS

by JAMES JOYCE

THE BOOK

Booze, Sex and Hot Floury Potatoes... Those Dubliners are at it again!

Liars, thieves, whores and priests... James Joyce sure knew how to throw a party! This relentlessly downbeat collection explores the very worst aspects of human nature, and doesn't leave out the juicy bits. It might not be in the best possible taste, but who doesn't want to get down and dirty in Dublin?

JAMES JOYCE

James Joyce was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde. Joyce is best known for *Ulysses* with other works including *Finnegans Wake* and *A Portrait of the Artist as a Young Man*.
